The Honorable W. Averell Harriman  
Ambassador at Large  
The Department of State  
Washington, D. C.

Dear Averell:

The Director of Training for the Central Intelligence Agency, Matt Baird, has informed me that you have accepted his invitation to address the members of the Midcareer Executive Development Course on 22 October.

I wish to extend my personal appreciation for your willingness to participate in this program. The Midcareerists, who probably will occupy positions of senior responsibility at some future time, are indeed fortunate to have the opportunity to benefit from your unique and invaluable experience.

If at all possible, please try to allow time for us to have a short chat either before or after your presentation.

Sincerely,

(Signed) W. F. Raborn
